2025 Market Outlook and Marketing Opportunities for J Bar Angus sired calves 11:30-12:00 noon

J Bar Angus Ranch are a hands-on, family oriented, breeder with many years of experience since 1991. We breed, raise, and market Registered Angus cattle in Texas with the highest standards of honesty and integrity. We strive to raise cattle in "our" environment that fit "our" environment. Our cattle know South Texas Tough!

With a combined total of Registered Angus cows numbering over 300+ head, we market select individuals that meet the needs of the whole beef industry. We aim to produce the best beef animal possible for the entire industry from cattleman to consumer.

These cattle will add value to your program. Calving ease, maternal ability, early maturity and carcass quality are hallmarks of the Angus breed. There are a number of bulls in this sale that we consider to be calving ease bulls. Using a calving ease bull is essential to reducing calving problems and associated costs. They will enhance the reproductive performance in your herd.

The females selling are designed to make money for their new owners. These females are structurally sound and bred to be productive for many years.

There have been tremendous improvements in the Angus population over the past few years; carcass quality is even better today and growth, muscle and feedlot performance are now at industry leading levels.

We are proud of our offering of more than 100+ registered Angus bulls. **These bulls were born, raised and developed in our area for our area.** We look forward to seeing you on sale day. If we can be of assistance to you, please do not hesitate to call.

Mark Janak, Mgr. 361-798-6558 Karen Janak, Mgr. 361-798-6898 Jordan Janak, Herdsman 361-772-6897

LONE STAR ANGUS ALLIANCE

Lone Star Angus Alliance formed in 1999 with the purpose of promoting and marketing Angus cattle raised in South Central Texas. The first

sale was held in 2000, and LSAA has continued to host sales since that time.

With the changing times and changes to operations, the LSAA members have chosen to leave the alliance for various reasons. In 2023, the LSAA is ceasing operations as an alliance to market and promote members' cattle.

J Bar Angus has hosted the LSAA Bull and Female sale since 2005, and they will continue the proud tradition of bringing together buyers and quality Angus-based cattle at their ranch in Hallettsville on the first Friday in December. The Mark & Karen Janak Family at J Bar Angus is committed to supplying progressive Angus cattle for the seedstock and commercial producer.
