J Bar Angus Ranch are a hands-on, family oriented, breeder with many years of experience since 1991. We breed, raise, and market Registered Angus cattle in Texas with the highest standards of honesty and integrity. We strive to raise cattle in "our" environment that fit "our" environment. Our cattle know South Texas Tough!

With a combined total of Registered Angus cows numbering over 300+ head, we market select individuals that meet the needs of the whole beef industry. We aim to produce the best beef animal possible for the entire industry from cattleman to consumer.

These cattle will add value to your program. Calving ease, maternal ability, early maturity and carcass quality are hallmarks of the Angus breed. There are a number of bulls in this sale that we consider to be calving ease bulls. Using a calving ease bull is essential to reducing calving problems and associated costs. They will enhance the reproductive performance in your herd.

The females selling are designed to make money for their new owners. These females are structurally sound and bred to be productive for many years.

There have been tremendous improvements in the Angus population over the past few years; carcass quality is even better today and growth, muscle and feedlot performance are now at industry leading levels.

We are proud of our offering of more than 100+ registered Angus bulls. **These bulls were born, raised and developed in our area for our area.** We look forward to seeing you on sale day. If we can be of assistance to you, please do not hesitate to call.

Services and Equipment

Engineered for Work. Designed for Life. Tired of Mowing Being a Chore? Ryan Services and Equipment has the solution. For years, Country Clipper has engineered zero-turn mowers with one goal: to make your life easier. With innovative, patented features designed for the real world, you can cut your mowing time, reduce fatigue, and get a perfect cut on the toughest Texas terrain.

The Unmistakable Country Clipper Advantage Flip the Deck in 60 Seconds. Maintenance in Minutes, Not Hours. Stop fighting with ramps and pressure washers. Country Clipper's patented Stand-Up Deck allows for quick and easy access to the underside of the deck for cleaning and blade maintenance. Go from mowing to maintenance in under a minute.

Point & Go Joystick Control. Mow with One Hand, Wave with the Other. Experience the ultimate in comfort and precision. The exclusive one-handed joystick control makes maneuvering around trees and obstacles effortless, reducing operator fatigue and making mowing a joy, not a job. Traditional twin-lever steering is also available.

The Power of Choice. The Guarantee of Quality. We proudly carry the full line of Spartan and eXmark mowers. From Spartan's rugged power to eXmark's professional-grade speed, we have the perfect solution for your property's demands.
